The objective is to share the details of high-level pathways within the next 7-10 days once the chair(s) and co-chairs have signed off the route/speed of travel, enablers and governance options.</p> <p>We aim to use the CAG framework to;</p> <ul style="list-style-type: none"> • Put the CAG plans into strategic context. • Focus on delivering real value. • Embrace iterative learning and evolution around Climate and Carbon. • Rally the Task Group(s) around a set of ‘clear’ and ‘attainable’ priorities. • Get participants excited (to support the outcomes and industry recognition). <p>What will the pathway help us to achieve?</p> <ol style="list-style-type: none"> 1. A strategic direction (with a closely coupled comms tool). 2. A statement of intent and direction, not a promise of deliverable. 3. Lays out where each task group is headed, without getting into the details. 4. Could be a Kanban board, spreadsheet or slide deck, whatever works best. <p>Bekir Andrews + CWL to review and maintain a fully realised CAG pathway, with a deliberate focus on Current, Near term and Future goals.</p> <p>Deadline for DRAFT pathway sign-off (30 June 2023) Suggested Scrum/Sprint run times (4-6 wks)</p>	<p>CWL</p> <p>CWL+BA</p> <p>ALL TBC</p>
<p>3</p>	<p>AOB</p> <p>Update on Progress: engagement and carbon calculator use, support available. 114 School Partners are receiving data from suppliers (this is double the number versus last year). Contact the School to get involved and join the Introductory webinars on the Carbon Calculator. Furthermore, the number of reporting suppliers have also increased exponentially (731 organisations). New guide to increase the reporting rate of suppliers (check slides for link)</p> <p>Virtual Conference 13th December Contact James Cadman and Chris Williams-Lilley should you wish to participate in this event. All ideas are welcome.</p>	<p>Stefania Chica-Jacome</p> <p>James Cadman, CWL</p>

	Offsite Report The School has released a new report called 'Whole life Carbon Guidance for Offsite Construction' to identify opportunities for carbon reduction in offsite projects (Check slides for link)	James Cadman
4	Next Group meeting. School to define a date for the next Climate Action Group meeting this year (this is in addition to the individual meetings set up by each Task Group). Invites and agenda will be shared in due course.	School
